#### Our Schools

Senri and Osaka International Schools of Kwansei Gakuin are two sister schools situated in north Osaka that share a campus, purpose, and mission. Senri International School has over 530 students following the Japanese National Curricula for middle and high schools while Osaka International School is a K-12 school of approximately 270 students offering the International Baccalaureate programs. We were founded for the benefit of returnee, national, and international residents of the Kansai region, bringing together the best of Japanese and international educational ideas, systems, and techniques in a "Two Schools Together" concept.
